Unipass Letter of Authority is a flexible, secure, digital service, which solves the issues experienced by advisers when sending letters of authority and receiving details back from providers or platforms.

We've designed our service with input from advisers, platforms and providers in our user group. They have provided invaluable feedback during the build to make the service easy to use.

Data Security and GDPR Compliance

Built with Unipass at its core, ULoA is trustworthy and secure. Whether you're working from home or in the office, it's safer for you and safer for your clients.

Use your current process, but smarter. Upload and receive your requests digitally and securely.

Our solution is GDPR compliant and will keep client data secure.

We've listened to the industry and have built this service to revolutionise the LoA process. Now it's time for advisers, providers and platforms to sign up and start saving time and money today with Unipass Letter of Authority.
